Dear Mr. ~~Baggett~~:

On behalf of the Jackson County Foster Parent Association, I would like to thank you and the Freebird Easter Basket Run for your cash donation and generosity in providing Easter baskets to so many of our foster children. Your commitment to helping neglected and abused children in our community is sincerely appreciated.

Each year Jackson County Foster Parent Association continues to advance its mission of encouraging community awareness and to improve the abilities of foster parents to meet the unique problems associated with foster children. Through our program, we have seen many lives changed for the better by providing foster children and their foster family meaningful support, educational and recreational activities.

The goal of the Jackson County Foster Parent Association is to continue to make a difference in the lives of foster children and support the foster families who open their hearts and homes to provide care, model respect, significance and value. With the help of donations from supporters such as you we will continue to see improvements in the quality of life for Oregon's children.

We could not do what we do without community help and the impact your support makes in the lives of foster children is priceless! Thank you again.

Sincerely,
