

Thanks for Easter run

The St. Vincent de Paul Society would like to thank the Free Bird motorcycle club for its 2008 Easter Basket Run. More than 100 Harley-Davidsons arrived in the parking lot of St. Vincent de Paul on the Saturday before Easter. The Easter Bunny hitched a ride with one of the members and was on hand to give out Easter baskets.

More than 130 baskets were given to the grateful and excited children.

A special thanks to Don Martel of John L. Scott Real Estate for organizing the run. And a nod of thanks to the pre-K students at Sacred Heart Elementary School for their donations of additional Easter baskets for the event. — **Kathy Morgan, Medford**
